

Mrs. Doran and Mrs. I's Class  
5 day 4's May2018 Newsletter

### Classroom News

We are anxiously awaiting the arrival of our butterflies! Hopefully they will be here soon. We talked about the life cycle of the caterpillar last month. We will be working on Mother's Day and Father's Day gifts this month. We will also be talking about animals that live on the farm. We finished up the alphabet with the letter Z and our classroom zoo. We hope you had a chance to check out all of the animals we made!

### This Month

I can't believe I'm writing the May newsletter. Even though the end of the year is approaching we still have a lot to do! First is our Spring Show. We are looking forward to seeing you Wednesday night. We are never sure what is going to happen once they get on that stage! It is always a fun night. Please let me know if you child will not be able to attend. We will host our Alex's Lemonade stand on Thursday, May 10<sup>th</sup>. The children will make lemonade that day and will start selling lemonade at 11:45 in the parking lot. We will explain to them that the money we raise will be donated to the children at the hospital to help them get medicine to get better. Our Mother's Day Tea will be on Friday, May 11<sup>th</sup>. You will be getting a special invitation. On May 15<sup>th</sup> we will be travelling by bus to Coverdale Farm to learn about all of the animals they have. We will also have our lunch bunch picnic that day. I will post a sign-up sheet with more information. We traditionally have an end of the year picnic. More information about this will be coming out as we get closer.

One final note...It is hard to believe the school year is coming to a close. It seems like we just started letter A week and here we are in May already. We would like to thank you for sharing your children with us. We have had such a great year working with them and we hope that they had as much fun as we did. We will miss them and we hope that you all have a great summer!
