

Twelve days left of school! Time sure has flown by this year! It's been a pleasure having your children in our class this year and we hope you stop by to see us if you're ever at school in the future. Thanks to everyone who came out to see the Spring show! I hope you enjoyed it! I think they all did a great job! If you have any pictures from the night, can you please upload them to the shutterfly site or email/text them to me? While it may have looked like I was taking a lot of pictures, I sadly did not have my memory card in my camera and didn't realize it until I got home. ☹️ I do have a video of the show if anyone wants to see it!

So far this month, we have been busy working on Spring projects including Mother's Day and Father's day! We hope you'll all be able to join us for your special day in our classroom!

Here's a look at what we have left on the calendar!

Iron Hill Fundraiser - Monday, May 7. Enjoy dinner at Iron Hill and a percentage of proceeds will go to Concordia Preschool. Flyer was sent home last week. If you need another, they're located on the table in the lobby.

Spring Photos - Optional spring photos will be taken by John Gallen on Tuesday, May 6th. Hopefully the weather will be good and they can be taken outside. If you wish to have a picture taken on Wednesday, just let me know. Pictures can be taken with siblings in the school either day or he also does family pictures after school.

Alex's Lemonade Stand - Thursday, May 10th for Readiness. Please dress your child in Yellow if possible. We will enjoy games outside in the morning and then sell lemonade to family and friends at the end of school beginning at 11:45am. We will dismiss from the parking lot.

Mother's Day Tea - Will be on Friday, May 11th at 10:30 am. We look forward to having you come for this special time with your Readiness child.

Space Week : Week of May 14th. Bring a big pillow on Wednesday, May 16th to help make our planet! We do ask that the pillow stay here thru Thursday.

Coverdale Farm Trip: Tuesday, May 15th - we will travel by bus to Coverdale Farm and learn all about baby animals!

Lunch Bunch Picnic On Tuesday, May 15, the Readiness will have their Lunch Bunch Picnic. We will be serving hot dogs, chips, carrots and a cookie to all of the children. Lunch bunch ends at 1:15pm. If your child does not like hot dogs (cooked by Chef Dramis), please send a lunch. Since the 3's and 3 day 4's will be having their picnic on Wednesday, May 16, Lunch Bunch **will not** be available. Special lunch bunch ticket or \$8 for the picnic.

Donuts for Dad: Thursday, May 17th at drop off in our classroom. Please plan to stay for approximately 45 minutes to an hour. We hope you can come!!

Field Day: On Friday, May 18th, we will have field day with the other 4's classrooms. Since we will be outside most of the day, the children are encouraged to wear clothing appropriate for that day's forecast including hats. They **MUST WEAR SNEAKERS** for our field day. Please apply sunscreen before school if needed.

Special Class Lunch One of our dads made a generous donation to our class to use for a special treat. After some discussion with the class, we decided to have a special lunch on Monday, May 21st. The kids all agreed on Happy Meals from McDonalds!

WWR Train trip: We will spend our last day of school (May 22nd) on the train! All parents (and other adults) are welcome to join us. We need to provide a count to the WWR two weeks prior to the trip so look for a sign up on the door. The children's fare is already paid for in the field trip fee. The cost per adult is \$8 and you will pay at the train station. Unfortunately, siblings are not included in this trip. If you can't join us, it's not a problem, we will arrange for transportation to WWR and back to the party.

End of year picnic/Graduation: Tuesday, May 22nd - following our train trip. All family members are all invited to enjoy the picnic! Sophia's family has offered to host the picnic...more information to follow.
